SUBJECT: GOL WILL PRESS UKRAINE ON NATO MUNITIONS PROJECT

REF: SECSTATE 179279

We delivered reftel points on the NATO-PfP Trust Fund munitions and small arms and light weapons disposal project in Ukraine to Lina Sucilaite, of the MFA's Ukraine and Moldova Division, and Ramunas Davidonis, of the MFA's NATO Division, on September 29. Both agreed on the importance of the project within the context of Ukraine's deepening relationship with NATO. Sucilaite confirmed that the GOL will contact the Government of Ukraine to support our call for finalization of the implementing agreement.
